A thriving destination

- More than **11 million** shoppers visited Edmonton Green Shopping Centre in 2023. This followed a **host of new openings** and serves as a clear testament to the growing strength of this dominant local centre.
- Spanning 26 acres of retail, leisure and community uses, Edmonton Green boasts a strong tenant line up. In the last year new national brands secured include **Pret**, **Starbucks**, and **Poundland** which took the former Wilko store.
- The scheme also has a very diverse range of **strong, popular independents** and a **vibrant market square** who meet the demands of the large, local community.

The bustling covered market has evolved since its inception over 100 years ago – and is home to a range of independent and diverse stalls.

**STRONG
PERFORMANCE**

11m+
annual footfall

26 acres of national and independent retail, leisure and community uses

120,000 people live in the core catchment, with 300,000 living in Enfield Borough

Excellent connections to road networks
1 mile from the **North Circular and the A10**, and **5** miles from the **M25**

Our Edmonton Green store had been very popular for many years, so we were delighted to be part of the area's ongoing regeneration by opening a significantly larger store which now provides a far greater range of products than before. The new store has been very well received and performance has been strong, trading ahead of our expectations"

A vibrant and growing community

...offering excellent retail, food & beverage and leisure opportunities

Edmonton Green Shopping Centre benefits from a number of footfall driving community facilities on site. These include:

- 73-bed **Travelodge** hotel
- **Enfield Borough's busiest library**
More than **400,000** visitors per year
- **Evergreen Primary Care Centre**
Serving 18,000 patients

The projected population growth in the catchment is **25%** over the next 20 years, double the national growth rate.

A new chapter

Phase 1 of the evolution of Edmonton Green will incorporate the redevelopment of an under utilised car park to create 350 new homes. This will further increase footfall and local spend - with completion expected by 2028.
